

Invitation to VNUG Nordic User Conference May 25-27 2010

Dear VNUG members and colleagues,

The time has come for the annual and ninth VNUG conference. Invitation to this year's conference is sent to our members and colleagues in Sweden, Finland, Norway and Denmark. Please take advantage of this rare opportunity to meet many Nordic NonStop colleagues, HP staff and partners, all together in the same location.

This year we have changed the format slightly and the VNUG conference will be combined with HP NonStop Update. There will be selectable in-depth sessions with HP information and also in-depth information/workshop sessions held jointly by a partner and the partner's customer.

The HP NonStop Update sessions will focus on business updates as well as in-depth sessions in NonStop hardware, software and application development.

The conference venue this year is Gällöfsta Country Manor, 35 min from Stockholm city and 35 min from Arlanda airport. Should you need help with taxi please contact Gällöfsta who will help you with fixed taxi prices. The location and facilities will meet our needs and is set in a natural and historic environment.

For more information about Gällöfsta Country Manor and directions please have a look at <http://www.gallofsta.se> (Only available in Swedish) and select the middle picture "MÖTEN Kungsängen"

The conference is two days, 26-27 May, giving you more time to share experiences with colleagues and vendors. For details of the program during the conference, see the attached agenda.

The discounted cost for participation in the conference for VNUG members is 1.995 SEK which includes conference fee, accommodation in a single bed room, and all meals. This fee is discounted by 1000 SEK from the list price of 2.995 SEK.

2010-04-12

For those who would prefer to add additional nights at Gällöfsta, the cost is 1.150 SEK per night per person including breakfast and taxes. The extra night has to be paid directly to Gällöfsta Country Manor.

Take advantage of the sponsored education, on 25th May between 09:00 and 16:30 at HP's office, Gustav III Boulevard 36, Solna.

The famous VNUG golf tournament will be held 25th May from 13:00 at Kungsängen Golf Club. The golf course is very close to the conference site. Will you be the one holding the Challenge trophy this year? Hope you have the possibility to compete for the trophy!

We look forward to seeing you at our ninth annual conference for three days of education and some fun.
